

## Report of working of BIS Sub-Committee

Since the constitution of this sub-committee during the 1st Managing Committee meeting, the following activities have been carried out

1. It was requested to the FPTA Secretariat in October 2015 to inform the Director, BIS Manak Bhawan, New Delhi about the new constitution of the BIS sub-committee by FPTA with a copy to the undersigned.

2. A letter was written to the Director Bureau of Indian Standards, Manak Bhawan, New Delhi on 24th December 2015 to call a meeting of all the constituent members of CHD 15 and CHD 16 to discuss and formulate an agenda for the year.

So far no meeting has been organised for CHD 16 since its creation in December 2014.

CHD 16 was created for paper based packaging products and we see immense scope in this field.

We await response from the BIS Director's end.

In the meantime, we have requested our committee members to start gathering as much information and data in connection to paper based packaging and food grade packaging. The members will assemble in the forthcoming 2nd Managing Committee meeting to be held at Nagpur on 9th Jan 2016.
