

Vice President Activity Report 3rd M C Meeting (2024-25)

**3rd Managing Committee Meeting (2024-25) to be held on 21st & 22nd June 2025 to be hosted by
Calcutta Paper Traders Association, Kolkata**

Dear Members,

Associations under my Jurisdiction: - KOLKATA, WEST BENGAL, NAGPUR & CUTTACK

1. I used to get in touch with all the associations under my jurisdiction on regular basis throughout the year and shared necessary FPTA information from time to time.
2. I requested all the associations to participate in our 3rd MC meeting at Kolkata hosted by Calcutta Paper Traders Association.
3. I frequently visited to my home association CPTA & WBPTA during their different occasions including blanket distribution.
4. I am in regular touch with the President and Secretariats of FPTA from time to time as and when required.
5. Besides, I am also in touch with some FPTA past presidents and Presidents of the affiliated associations under my Jurisdiction.

My suggestion on functioning of FPTA

- ▶ FPTA should focus on more seminars on MSME & Arbitration as these two are the lifeline of most of the traders.
- ▶ Quarterly reports are essential to understand the activities of local affiliated associations.
- ▶ Visit to different paper mills within or outside India should be organized every year to motivate younger generation.

Thank you
Asish Mitra
Vice President FPTA 2024-25
