The President
FPTA, Mumbai

Subject: This report is given by Shri Padam Chand Jain, VP FPTA to be presented in the 3rd Managing Committee held on 10th and 11th June 2023 at Bangalore.

I, the Vice President of the Federation of Paper Traders Association of India (FPTA) from Delhi find great pleasure in sharing the remarkable activities and events organized by PMA Delhi, which has not only contributed to the growth of our association but has also brought our members and their families closer together.

PMA Delhi, one of the founder members of FPTA is the largest association of its kind in Asia, with over 1500 members. The events not only promote cultural unity but also cater to the welfare of our members.

Firstly, 104 KYC forms have been submitted to the FPTA and the remaining are in process.

Additionally, over 25 arbitrations are currently ongoing to support our members.

One such event is the Holi Mela, an exclusive event for our members and staff, similar to our Diwali mela where members and their families come together to celebrate the festival of lights. These joyous celebrations reflect our vibrant and diverse culture.

Apart from cultural celebrations, PMA Delhi is committed to working for the welfare of its members and their staff. We recently organized an eye check-up camp, providing free examinations to over 120 patients and ensure that the 12 individuals in need of surgery got it free of cost.

PMA Delhi has a dedicated Technical Committee, under Sh. Aditya Gupta, that works for knowledge-sharing and industry collaboration with various activities and events such as the mill visit organized at Bindals Duplex Limited in Muzaffarnagar. Over 80 of our members had the opportunity to get the practical knowledge of the paper manufacturing process in person. All participants went home with an enriching experience, memories, certificates, and gift hampers from PMA Delhi and Bindal Mills.

On 12th May, we had the pleasure of welcoming Sh. Aseem Bordia, the esteemed President of FPTA, at the Delhi Airport. At the Delhi PMA office, I heartily welcomed him along with FPTA ex-Presidents Sh Satpal Gupta, Sh Raj Kumar Bindal, Sh Chander Dev Chaudhary; Delhi PMA President - Sh Dalip Bindal; Gen Sec - Sh Deepak Kr Jain and other PMA members. Together, we went to the Noida PMA Association, where a lunch meeting was arranged at the Hotel Radisson. The President Sh Amit Aggarwal ensured that all welcome formalities were carried out, making our guest feel truly honored. Afterwards, we visited the Meerut Paper Merchant Association, where the president of the association, Sh Sanjay Jain, extended a warm welcome to us. A productive discussion ensued, covering various market views and

other topics. Members actively participated, posing questions to the president of FPTA and the evening concluded with a delightful dinner.

After previous successes, we organized the second technical seminar on 13th May 2023 at Hotel Shangri La in New Delhi. It was an honor to invite FPTA President, Sh. Aseem Bordia, as the chief guest of this esteemed event. It was delivered by three industry experts who discussed about various aspects of our business, MSME's, and the theoretical knowledge of paper making. Along with the meals, we ensured all participants were comfortable during the day long workshop to keep them focused and enable networking during the breaks. In addition to knowledge, everyone also received Gift hampers and certificates from PMA Delhi.

The eventful quarter shows the dedication and passion of PMA Delhi. We take great pride in our achievements and the positive impact we have made on the paper trading industry in Delhi.

I thank Delhi PMA President Sh Dalip Bindal and General Secretary Sh Deepak Kr Jain. I would like to express my gratitude to all the members for their unwavering support and commitment. Together, we have created a strong and vibrant community that is recognized and respected within the industry.

In the end, I would again thank the FPTA President Sh. Aseem Bordia, Secretary Sh. Bhavesh Gala, all Vice Presidents, ex-Presidents and the M.C members for listening to me.

Thank you

Padam Chand Jain
Vice President, FPTA
