As we are having Confirmation with PMA Noida and Dehradun association to meet in July, I hope there also we will get some better outcomes.

Under the leadership of our energetic leader President Sh Dilip Pandal ji Govt of India agreed to reduce GST rates on various paper product i.e cartons, Corrugated boxes etc from 18% to 12%.

At last I wish all the best to SIVAKASHI Paper association for grand success of 3rd MC meeting. I pray this will be a historic function.

Thanks and Regards.
